FH 80 Hot-Box

oil-heated

MADE IN GERMANY

Our engineers have developed high quality, FRANK cleaning machines for a great variety of applications. The entire life of this product line is characterized by advanced technology meeting international standards. FRANK produces only the highest quality cleaning machines – each coming with our stamp of quality assurance. Quality components and fittings ensure a trouble-free operation. Service friendliness is an essential feature of FRANK cleaning machines.

FRANK® - High performance waterheater

Consists of a solid heating coil made of thick wall of precision steel and is equipped with the FRANK oil atomizer burner. The optimal flow of combustion gases ensures an environmentally clean combustion and high efficiency.

FRANK® - Oil atomizer burner

A compact unit utilizing an integrated oil preheater and its own motor.
